

Choir Meet & Greet

Calling all singers!

 We invite all choir members to join us for a relaxed get-together ahead of Eesti Päevad 2027.

It's a chance to meet fellow singers, go over the upcoming days, share important information, and enjoy a little sing-along together!

Let's connect, get organised, warm up our voices and get ready to fill Eesti Päevad with music and song!   

For choir members and singers only.
