

REGILAUT – LAULDES EESTILE LÄHEMALE

 Start: 6:00 pm

 Location: Upstairs meeting room, Estonian House

 Duration: 1 hour

 Suitable for: All ages

 Bring: An open mind and the joy of singing!

Come and discover regilaul, Estonia's ancient folk singing tradition, where words, rhythm, shared voices and the joy of storytelling come together!

Regilaul is a centuries-old tradition, at least a couple of thousand years old, and an important part of Finno-Ugric cultural heritage. In the past, Estonians sang these songs while working, at weddings and seasonal celebrations, to soothe children to sleep, play games and share stories.

Traditional regilaul features alliteration, repeated phrases and a simple, repetitive melody. One person leads with a verse, and everyone joins in by responding or repeating the words together.

🎵 During this one-hour session, we'll listen, learn and sing simple traditional Estonian songs together.

No previous singing experience or fluent Estonian is needed — the beauty of regilaul lies in singing together and sharing the experience!

💙 Come on your own, with friends or with your family, and sing yourself a little closer to Estonia.

Come and experience the magic of Estonian traditional singing! 🇪🇪
